CONTRACT DATA REQUIREMENTS LIST
(1 Data Item)

Form Approved
OMB No. 0704-0188

The public reporting burden for this collection of information is estimated to average 110 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Executive Services and Communications Directorate (0704-0188). Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. **Please do not return your form to the above organization. Send completed form to the Government Issuing Contracting Officer for the Contract/PR No. listed in Block E.**

16. REMARKS

BLOCK 9 – Government requires a distribution statement on all deliverables. The Contractor shall request the distribution statement from the Government 10 days before the delivery of the data.

BLOCK 10, 12, 13 – The Contractor shall supply the initial HMMP Report 90 days after contract award. The Government shall have 30 days to review and provide comments to the contractor. The Contractor shall provide an updated initial HMMP Report draft within 30 days after receipt of Government comments for review and approval. The update shall incorporate or address all Government comments in addition to any changes to the HMMP Report listed materials.

After approval and acceptance of the initial HMMP Report, the contractor shall supply an updated HMMP Report draft at the end of each month to reflect the implementation of any material/process changes that affect the materials listed in the HMMP Report during that month. This monthly HMMP Report update is NOT REQUIRED if the materials listed in the HMMP Report have not been affected during that month.

The contractor shall supply the final HMMP Report 5 days prior to Test Readiness Review. The Government shall have 15 days to review and provide comments to the contractor. The contractor shall provide an updated final HMMP Report within 15 days after receipt of Government comments for review and approval. The update shall incorporate or address all Government comments in addition to any changes to the HMMP Report listed materials
