16. REMARKS

The submittal of red lined Technical Manual (TM) work packages or pages shall be due in accordance with the WD and shall incorporate results from contractor Validation and Log Verification.

The second submittal of red lined TM work packages or pages is due within (30) days after Government submittal and shall incorporate all changes identified during Government review of the initial submittal.

The Government shall review and determine acceptance or rejection of each submission and notify contractor within (30) days of receipt for the initial, second, and any subsequent TM deliveries. If rejected, the contractor shall have (30) days to correct any errors and return to the Government.

Each submission shall be considered an initial draft until accepted by the Government. Government review time upon receipt of all TMs will be no less than thirty (30) calendar days. The initial and second submittal of TMs shall be accompanied by a Letter of Transmittal.

Block 14: Submissions of data requirements shall be submitted via PDF CD-ROM for the THOR Data Manager and/or Publication Lead review. The Contractor shall provide email notification of data submissions to the PCO, Contract Specialist, COR and THOR Procurement Analyst.
