OPSEC REVIEW CERTIFICATION
(AR 530-1, Operations Security)

STATEMENT BY REVIEWING ORGANIZATIONS

"I am aware that there is foreign intelligence interest in publicly available information. I have sufficient technical expertise in the subject matter to certify that it is appropriate to release this information to the public, because there are no operational, legal, or security reasons for withholding its release. Information that was given a previous OPSEC Review, does not require a second review, unless the original information has been changed"
