CONTRACT DATA REQUIREMENTS LIST
(1 Data Item)

Form Approved
OMB No. 0704-0188

The public reporting burden for this collection of information is estimated to average 110 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Executive Services Directorate (0704-0188). Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. Please do not return your form to the above organization. Send completed form to the Government Issuing Contracting Officer for the Contract/PR No. listed in Block E.

16. REMARKS

The submittal of red lined Technical Manual (TM) work packages or pages shall be due in accordance with the WD schedule and shall incorporate results from contractor Validation and Log Verification.

The second submittal of red lined TM work packages or pages is due within (30) days after Government submittal and shall incorporate all changes identified during Government review of the initial submittal.

The Government shall review and determine acceptance or rejection of each submission and notify contractor within (30) days of receipt for the initial, second, and any subsequent TM deliveries. If rejected, the contractor shall have (30) days to correct any errors and return to the Government.

Each submission shall be considered an initial draft until accepted by the Government. Government review time upon receipt of all TMs will be no less than thirty (30) calendar days. The initial and second submittal of TMs shall be accompanied by a Letter of Transmittal.

Block 14: Submissions of data requirements shall be submitted via PDF CD-ROM for the THOR Data Manager and/or Publication Lead review. The Contractor shall provide email notification of data submissions to the ILS Manager POC, PCO, Contract Specialist, COR and THOR Procurement Analyst.
