

CS-13 Parts Solicitation (W56HZV-13-R-0065) Question and Answer (Q&A)

Q6. Our source is saying Part# 25A201-10 is an ITAR part and we need to know the REV level required, what testing is required, and a drawing.

A6. There may be multiple vendors for this part, but this part is available from the manufacturer and from Allied Electronics, Inc. (www.alliedelec.com). No testing is required and no drawing or REV level is required.
