

Army Watercraft Systems (AWS) Industry Day

Date: 5 December 2012

Time: 7:30 AM – 8:30 AM **Check In**

9:00 AM – 1:00 PM **AWS Industry Day**

Location: **Morial Convention Center, New Orleans, LA**

RSVP deadline: 30 November 2012 (request for attendance will not be considered after the COB 30 November 2012)

Dress: Business Casual

Cost: There is no fee - lunch will be your responsibility.

Space is limited; thus, attendance is limited to three attendees per company. Additionally, the Army reserves the right to reduce the number of attendees per company should space availability present an issue. Individuals who wish to attend **MUST** register for the event using the below Industry Day Registration Instructions. Registration closes on 30 November 2012. RSVP acceptance notices will be sent as participants are approved to attend. Please do not call before 30 November 2012 to confirm reservation(s).

The purpose of this Industry Day is to provide Industry insight to future Army Watercraft opportunities and technologies being considered and planned for Army acquisition. The goal of this forum is to enhance collaboration between Industry and the Product Director Army Watercraft Systems and rebuild the industrial base. Opportunities planned for discussion the Landing Craft Utility Service Life Extension Program, potential future vessel procurements, in-service engineering and logistics services, and sustainment support. This session is **NOT** a “how-to” procurement event.
