

Mine Resistant Ambush Protected (MRAP)
Joint Logistics Integrator (JLI)

AMENDMENT 6

The Government is in the process of incorporating a new requirement into the Request For Proposal W56HZV-12-R-0034. Additional information, status update and documents will be provided via FBO no later than mid December 2012. The new requirement will procure the Joint Logistics Integrator (JLI) services to support to PM Assured Mobility Services (AMS) for Route Clearance Vehicles (RCV) that will result in the addition of approximately 190,000 labor hours to the JLI effort.

The Formal Solicitation is expected to be released and available on the PROCNET JLI webpage when the additional AMS requirement is fully incorporated.

Please continue to check the JLI contracting webpage at the link below for additional information and updates.
