

<b>U.S. Army JAB - Criteria for Technical Reviews</b>	
<b>Preliminary Design Review (PDR) - Entrance Criteria</b>	
PDR meeting agenda	
Updated MIPS (with critical path drivers)	
Updated risk matrix	
Initial cost analysis / Indentured Bill of Materials (IBOM)	
Updated compliance matrix	
Developmental drawings	
Mock-up strategy	
<b>PDR - Exit Criteria</b>	
Action items identified and responsibility assigned	
Cost, schedule, performance risks acceptable	
Safety-critical components identified and mitigated to acceptable level	
Post PDR assessment	
<b>Critical Design Review (CDR) - Entrance Criteria</b>	
Actions closed from PDR	
CDR meeting agenda	
User Jury complete	
Updated MIPS (with critical path drivers)	
Updated risk matrix	
Updated cost analysis / IBOM / long lead items	
Updated performance compliance matrix	
Updated developmental drawings	
Updated mock-up	
Detailed test support (parts, manpower, manuals)	
<b>CDR - Exit Criteria</b>	
Action items identified and responsibility assigned	
Cost, schedule, performance risks acceptable	
Critical safety issues mitigated to acceptable level	
Post CDR assessment	
Design freeze for prototype testing	
<b>Pre-Test Readiness Review (PTRR) - Entrance Criteria</b>	
Actions closed from CDR	
PTRR meeting agenda	
Updated MIPS (with critical path drivers)	
Updated risk matrix	
Updated performance compliance matrix	
Updated cost analysis / IBOM / long lead items	
Updated publications (e.g. training, maintenance, transportation)	
Contractor safety assessment report	
<b>PTRR - Exit Criteria</b>	
Action items identified and responsibility assigned	
Cost, schedule, performance risks acceptable	
ATEC Training Safety Release	
<b>System Verification Review (SVR/FCR/PRR) - Entrance Criteria</b>	
Actions closed from PTRR	
SVR meeting agenda	
Comparative testing complete	
Capabilities review	
Level 2+ Technical Data Package (TDP) delivered	
Configuration and drawing audit	
Updated cost analysis / IBOM	
<b>System Verification Review (SVR/FCR/PRR) - Exit Criteria</b>	
Level 2+ Technical Data Package (TDP) Accepted
