DRAFT

1 SCOPE

The Joint Light Tactical Vehicle (JTLV) program Engineering and Manufacturing Development (EMD) Phase is pre-decisional. The release of the Draft Annex M is for informational and planning purposes only and is not to be construed as a commitment or obligation by the United States (U.S.) Government. Multiple revision of the Annex are expected between now and any potential release of an EMD RFP. The intent for releasing this Draft is to provide industry with the forecasted direction of the JLTV program requirements and is not final. This web site will be updated with the latest version of the Draft Annex M as available.
