

Army Watercraft Systems (AWS) Industry Day

Date: **3 December 2014**

Time: **7:30 AM – 8:30 AM Check In**

9:00 AM – **1:00 PM AWS Industry Day**

Location: **Morial Convention Center, New Orleans, LA**

RSVP deadline: 7 November 14 (request for attendance will not be considered after the COB 7 November 14)

Dress: Business Casual

Cost: There is no fee - lunch will be your responsibility.

The purpose of this Industry Day is to provide Industry insight to future Army Watercraft opportunities and technologies being considered and planned for Army acquisition. The goal of this forum is to enhance collaboration between Industry and the Product Director Army Watercraft Systems and improve industrial base awareness. Opportunities planned for discussion are the Landing Craft Utility Service Life Extension Program and the planned procurements of the Maneuver Support Vessel (Light). This session is NOT a “how-to” procurement event. The Government is considering conducting one-on-one sessions with Industry on 4 December 14.

Space is limited; thus, attendance is limited to three attendees per company. Additionally, the Army reserves the right to reduce the number of attendees per company should space availability present an issue. Individuals who wish to attend MUST register for the event using the below Industry Day Registration Instructions. Registration closes on 7 November 14. RSVP acceptance notice will be sent as participants are approved to attend. Please do not call before 7 November 14 to confirm reservation(s).

Registration Instructions:

Please submit the following information to usarmy.detroit.peo-cs-css.mbx.pm-ts-aws@mail.mil. Please submit your registration request, no later than Close of Business 7 November 14. Please indicate your interest in having a one-on-one session with the Government team on 4 December 14.

1. Individual attendees full name
2. Individual attendees e-mail address
3. Company Name
4. Company CAGE Code
5. Telephone number
