

Defense Mobility Enterprise
National Advanced Mobility Consortium
in conjunction with
The Vehicle and Robotics Alliance Program Office, TARDEC
2014 Collaboration Day
Wednesday and Thursday, October 8-9, 2014
Sterling Banquet Conference Center, Sterling Heights, MI

Schedule:

- Sign In: 7:00 a.m.
- Meeting: 8:00 a.m. to 5 p.m.

Topics:

- Collaboration Day will serve as a forum to interact with Government ground vehicle and robotic systems program and technical managers to discern their needs and discuss ideas.

Registration Information:

- Online registration period: August 19 to September 30, 2014
- Registration is limited to the first 300 attendees on a “first-come-first-served” basis. A standby list will be maintained if cancellations occur and standby applicants will be notified no later than October 1, 2014.

Who Should Attend: In order to participate in this event, members of US industry and academia must be members of NAMC. The NAMC is open to US companies, traditional and non-traditional, large and small, for-profit companies, academic institutions, and non-profit organizations with ground vehicle and robotics technological capabilities. If you are not a member of NAMC, you may apply for membership by going to www.NAMConsortium.org. All attendees must have a current DD2345 Joint Certification Program number.

Attendee Application Site: This event is open to Government employees and NAMC members. Registration for this event is required. www.DefenseMobility.org

UNCLASSIFIED: Distribution Statement A. Approved for public release. OPSEC #25600

This event is for informational and planning purposes only. It does not constitute a formal solicitation for proposals or abstracts, and shall not be considered as a commitment by the government for any purpose.
