Modification P00099
Contract W56HZV-13-D-0008

1. CONTRACT ACTION: Modification P00099 to Contract W56HZV-13-D-0008 is issued bilaterally.
2. PURPOSE:
 - 2.1. The purpose of this modification is to incorporate PCO Letter SML019(REV01) into the contract.
 - 2.2. As a result of this modification, Attachment 0090, "Logistics Support Excess Government Property" is revised. Said attachment represents excess Government Property under this contract (W56HZV13D0008).
 - 2.2.1. Previous Modifications P00091, P00092, and P00095 transferred the Government Property listed in Attachment 0090, "Logistics Support Excess Government Property", from the Logistics Support effort under Contract W56HZV-13-D-0008 to multiple different contracts and projects as identified therein.
 - 2.2.2. This Modification, P00099, incorporates PCO Letter SML019(REV01)* by adding items and quantities to Attachment 0090, "Logistics Support Excess Government Property". For said items and quantities, this modification represents a delivery and acceptance action, thereby changing the status from Government Property to Government Furnished Property. The transfer of material is complete when the contractor has signed this modification and DCMA has verified that the property is correctly shown in contractor property records in accordance with FAR 52.245-1(f)(1)(iii)(A). DCMA will sign and date DD Form 1149 as evidence that the property is correctly shown in contractor property records.

*The items and quantities contained in PCO Letter SML019(REV01) are the same as those added via Modification P00099. The transfer of said items and quantities are NOT to be duplicated.
3. As a result of this modification, the total obligated amount is neither increased nor decreased.
4. Except as specifically stated in this narrative, all other terms and conditions remain unchanged and are in full force and effect.

*** END OF NARRATIVE A0099 ***
