

Joint Light Tactical Vehicle – Engineering Manufacturing and Development (EMD) Website

http://contracting.tacom.army.mil/majorsys/jltv_emd/jltv_emd.htm

Significant Website Updates:

22 August 2012

- Three awards were made for the Engineering and Manufacturing Development (EMD) phase of the Joint Light Tactical Vehicle (JLTV) program: AM General, LLC (South Bend, IN), Lockheed Martin Corporation (Grand Prairie, TX), and Oshkosh Corporation (Oshkosh, WI).
- The final List of Interested Subcontractors has been updated and posted to the website. ***This list will no longer be updated.*** Please also refer to the TACOM Small Business Office for more opportunities to publicize or gather information regarding potential subcontractors. Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/jltv_EMDsubK/Interested%20Subcontractors.pdf
- Other administrative changes to the website have been made to archive closed RFP and other information. Link to Archive page: http://contracting.tacom.army.mil/majorsys/jltv_emd/archives.htm

19 June 2012

- List of Interested Subcontractors has been updated and posted to the website. This list will be a living document, and will be updated as more submissions from interested parties are received. Please also refer to the TACOM Small Business Office for more opportunities to publicize or gather information regarding potential subcontractors. Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/jltv_EMDsubK/Interested%20Subcontractors.pdf

11 April 2012

- List of Interested Subcontractors has been updated and posted to the website. This list will be a living document, and will be updated as more submissions from interested parties are received. Please also refer to the TACOM Small Business Office for more opportunities to publicize or gather information regarding potential subcontractors. Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/jltv_EMDsubK/Interested%20Subcontractors.pdf

26 March 2012

- Posted response to industry question #149

22 March 2012

- Posted revised responses to industry questions #'s 8, 54, 76, 83, 128, and 136. The revised answers are highlighted in **RED**, and are directly under the original answer.
 - Answers provided in Questions #8, 54, 128 & 136 have been revised. It has been corrected that the Test Course Conditions Data available upon request on our website is NOT the specific course information for Hartford Loop, Perryman A and Churchville B as previously indicated in some of these original responses.
 - Answers provided in Questions # 76 & 83 have been revised as a result of Amendment 0003.
- Posted responses to industry questions #140-148.

21 March 2012

- Add Amendment 0006 to the JLTV Website along with the following attachments
 - Attachment GG

A conformed copy of the RFP with Amendments 1-6 incorporated is posted to the website

19 March 2012

- Posted responses to industry questions #138-139.

15 March 2012

- Posted responses to industry questions #135-137.

13 March 2012

- Add Amendment 0005 to the JLTV Website along with the following attachments
- Attachment 0001 (Please note that only the JLTV PD Main Body and Annex H have changes. All PD files are being released with Amendment to ensure the same version number and date)

DOORS Database: An updated JLTV Telelogic DOORS database is available for portions of the UNCLASSIFIED JLTV Purchase Description outlined below. To Request a copy of the most current JLTV-PD database, please send an email usarmy.detroit.acc.mbx.wrn-jltv-rfp@mail.mil

- JLTV Purchase Description Main Body
- Annex G - Export Controlled Annex (FOUO)
- Annex H - Operational Terrain
- Annex J - Engineering Drawings
- Annex K - Item Quantities
- Annex M - Basic Issue Items List
- Annex N - 2015 Boundary Manikin Set Body Dimension
- Annex P - Moving Fuel Efficient Test
- Annex Q - Crew Injury Assessment Methodology (FOUO)
- Annex R - Flat Tow Kit Components
- Annex S - Modifications to DOT-TP-126-3
- Attachment 0006 MANUFACTURING COST ESTIMATE TEMPLATE
- Attachment 0036 GFE/GFI LIST
- Attachment 0037 EMD VEHICLE CONFIGURATION AND ALLOCATION MATRIX (FOUO)
- Attachment 0038 FAILURE DEFINITION AND SCORING CRITERIA (FDSC)
- A conformed copy of the RFP with Amendments 1-5 incorporated is posted to the website.

09 March 2012

- Add Amendment 0004 to the JLTV Website.
- Extend closing date from 1:00 pm local time, 13 March 2012, to 1:00 pm local time, 27 March 2012.
- A conformed copy of the RFP with Amendments 1-4 incorporated is posted to the website.
- Section J – Title of Attachment SB changed from SMALL BUSINESS PARTICIPATION PLAN FACTOR SUBMITTAL to SMALL BUSINESS PARTICIPATION FACTOR SUBMITTAL.
- Posted responses to industry questions #132-134.

07 March 2012

- Posted responses to industry questions #129-131.
- Posted a NOTICE TO INDUSTRY that the Government intends to extend the RFP closing date to 1:00pm local time, 27 March 2012. An amendment will be forthcoming to formalize this change, which will include additional proposal requirements for offeror's to submit agreements with Non-Government Organizations who will be involved a Technology Readiness Assessment in support of a Milestone B decision.

06 March 2012

- Add Amendment 0003 to the JLTV Website along with the following attachments.
 - Attachment 0001 PURCHASE DESCRIPTION * (*Please note that only the JLTV Annex E has been updated. Both Annex E and Annex F are being released with Amendment 0003 to ensure the same version number and date as the remaining Purchase Description version 3.0.1, dated 13 February 2012)
 - Annex E - Force Protection (CLASSIFIED)
 - Annex F - Signature Management (CLASSIFIED)
 - Attachment 0006 MANUFACTURING COST ESTIMATE TEMPLATE
 - Attachment 0008 INTEGRATED MASTER SCHEDULE (IMS) WBS

- Attachment 0037 EMD VEHICLE CONFIGURATION AND ALLOCATION MATRIX (FOUO)
- Attachment 0051 CCDR INSTRUCTIONS
- Attachment KK UNIT MANUFACTURING COST ESTIMATE

- A conformed copy of the RFP with Amendments 1-3 incorporated is posted to the website.
- Posted responses to Industry Questions #126-128
- Updated Annex E and/or Annex F will be mailed to the FSO/Classified Mailing Address of all recipients who 1) were already approved to receive Version 3.0 of the Classified Annex and 2) have a valid Facility Clearance.
- Note: Foreign companies must submit new RFI's through their embassy in the United States for all updated CLASSIFIED and FOUO information. DO NOT send these requests to the JLTV RFP Mailbox on this PROCNET page or the Contracting Office.
- FOUO Q&A #2 has been mailed to the FSO/Classified Mailing Address of all recipients of Annex E.
- Additional Information update: A supplemental test course conditions data (primary roads) is being made available to the public as information only, subject to the disclaimer outlined in the memorandum to accompany test course data. The disclaimer memorandum, along with instructions for requesting the test course data is posted to the website.

28 February 2012

- Posted responses to Industry Questions #100-125
- Posted PD V2.9A Question & Answer #'s 1-45 on the PD archive page.

24 February 2012

- Posted responses to Industry Questions #94-99.

23 February 2012

- Posted responses to Industry Questions #85-93.

17 February 2012

- Posted responses to Industry Questions #79-84.
- Posted charts from the NDIA Tactical Wheeled Vehicle (TWV) Conference in Monterey, CA Feb 5 – Feb 7, 2012.

16 February 2012

- Posted responses to Industry Questions #73-78.
- FOUO Q&A #1 has been mailed to the FSO/Classified Mailing Address of all recipients of Annex E.
- Add Amendment 0002 to the JLTV Website along with a revised Attachment KK.
 - Please note – Amendment 0001 Conformed Copy was incorrect. The Conformed Copy that is issued with Amendment 0002 is the revised Conformed Copy.

15 February 2012

- Add Amendment 0001 to the new JLTV Website along with the following attachments:
 - Exhibit A CONTRACT DATA REQUIREMENTS LIST (CDRL)
 - Attachment 0001 (Please note that only the JLTV PD Main Body and Annex K have changes. All PD files are being released with Amendment to ensure the same version number and date)

DOORS Database: An updated JLTV Telelogic DOORS database is available for portions of the UNCLASSIFIED JLTV Purchase Description outlined below. To Request a copy of the most current JLTV-PD database, please send an email usarmy.detroit.acc.mbx.wrn-jltv-rfp@mail.mil

- JLTV Purchase Description Main Body
- Annex G - Export Controlled Annex (FOUO)
- Annex H - Operational Terrain
- Annex J - Engineering Drawings
- Annex K - Item Quantities
- Annex M - Basic Issue Items List
- Annex N - 2015 Boundary Manikin Set Body Dimension
- Annex P - Moving Fuel Efficient Test
- Annex Q - Crew Injury Assessment Methodology (FOUO)
- Annex R - Flat Tow Kit Components
- Annex S - Modifications to DOT-TP-126-3
- Attachment 0005 APPROVED CONTRACT CSDR PLAN A-11-B-C1
- Attachment 0006 MANUFACTURING COST ESTIMATE TEMPLATE
- Attachment 0015 VEHICLE MOBILITY DATA SHEETS
- Attachment 0030 HAZARD TRACKING LOG CONTENT REQUIREMENTS
- Attachment 0036 GFE/GFI LIST
- Attachment 0037 EMD VEHICLE CONFIGURATION AND ALLOCATION MATRIX (FOUO)
- Attachment 0040 RAM DUTY CYCLES
- Attachment 0051 CCDR INSTRUCTIONS
- Attachment 0052 FUTURE C4I SYSTEMS GROWTH
- Attachment CC PROPOSED SPEC SHEET
- Attachment GG PERFORMANCE DATA SHEETS
- Attachment FP1 CAB DESIGN DATA SHEET (FOUO)
- Attachment FP2 CREW SEATING DATA SHEET (FOUO)
- Attachment FP3 BLAST TEST DATA SHEET (FOUO)
- Attachment MM3 NRMM WHEELED VEHICLE DATA SHEETS
- Attachment KK UNIT MANUFACTURING COST ESTIMATE
- Attachment QQ LOE OPTION PRICING SHEET

14 February 2012

- Posted responses to Industry Questions #64-72.
- Posted JLTV Concept of Operations v 3.6.

13 February 2012

- Posted responses to Industry Questions #60-63.

10 February 2012

- Posted responses to Industry Questions #55-59.

09 February 2012

- List of Interested Subcontractors has been updated and posted to the website. This list will be a living document, and will be updated as more submissions from interested parties are received. Please also refer to the TACOM Small Business Office for more opportunities to publicize or gather information regarding potential subcontractors. Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/jltv_EMDsubK/jltv_EMDsubK.htm
- Posted responses to Industry Questions #36-54.

08 February 2012

- Posted responses to Industry Questions #23-35.

07 February 2012

- List of Interested Subcontractors has been updated and posted to the website. This list will be a living document, and will be updated as more submissions from interested parties are received. Please also refer to the TACOM Small Business Office for more opportunities to publicize or gather information regarding potential subcontractors.

Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/jltv_EMDsubK/jltv_EMDsubK.htm

- Posted responses to Industry Questions #12-22.

03 February 2012

- Replaced Attachment 8 with Excel file.
- Posted responses to Industry Questions #7-11.
- Posted Operation Mode Summary & Mission Profile for the JLTV (v3.3). This information is posted for info only.

02 February 2012

- Updated Attachment PP, Past Performance Questionnaire. Removed language "Question ten is rated by calendar year" from page three.
- Posted responses to Industry Questions #1-6.

01 February 2012

- List of Interested Subcontractors has been updated and posted to the website. This list will be a living document, and will be updated as more submissions from interested parties are received. Please also refer to the TACOM Small Business Office for more opportunities to publicize or gather information regarding potential subcontractors. Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/jltv_EMDsubK/jltv_EMDsubK.htm
- DOORS files are available for the Purchase Description (PD).
- Responses to Draft RFP questions have been posted to the JLTV Website.

27 January 2012

- Posted Soft Soil Mobility RCI Lessons Learned
- List of Interested Subcontractors has been updated and posted to the website. This list will be a living document, and will be updated as more submissions from interested parties are received. Please also refer to the TACOM Small Business Office for more opportunities to publicize or gather information regarding potential subcontractors. Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/jltv_EMDsubK/jltv_EMDsubK.htm
- Instructions and Requirements for Accessing the CUI (FOUO/Export Controlled) documents have been updated.
- Corrected title of Attachment 12 from Vehicle Speculation Sheet to Vehicle Specification Sheet.

26 January 2012

- Move "Draft RFP" documents to a Archive page on the NEW JLTV Website
- Add RFP to the new JLTV Website along with the following attachments:
 - Exhibit A CONTRACT DATA REQUIREMENTS LIST (CDRL)
 - Attachment 1
 - JLTV Purchase Description Main Body
 - Annex E - Force Protection (CLASSIFIED)
 - Annex F - Signature Management (CLASSIFIED)
 - Annex G - Export Controlled Annex (FOUO/Export Controlled)
 - Annex H - Operational Terrain
 - Annex J - Engineering Drawings
 - Annex K - Item Quantities
 - Annex M - Basic Issue Items List
 - Annex N - 2015 Boundary Manikin Set Body Dimension
 - Annex P - Moving Fuel Efficient Test
 - Annex Q - Crew Injury Assessment Methodology (FOUO/Export Controlled)
 - Annex R - Flat Tow Kit Components
 - Annex S - Modifications to DOT-TP-126-3

14 December 2011

- Added Language under the Draft RFP Section of the Website.
- Removed Leadership Meeting with Industry Section.
- Posted Q &A's under Draft PD Archives.

18 November 2011

- Posted document to website about Draft JLTV RFP updates.

14 November 2011

- Update Attachment 0001 – PD v2.10 and PD Annex H v2.9

09 November 2011

- Update to JLTV E-mail Mailbox from DAMI_JLTV-RFP@conus.army.mil to usarmy.detroit.acc.mbx.wrn-jltv-rfp@mail.mil.
- List of Interested Subcontractors has been updated and posted to the website. This list will be a living document, and will be updated as more submissions from interested parties are received. Please also refer to the TACOM Small Business Office for more opportunities to publicize or gather information regarding potential subcontractors. Link:
http://contracting.tacom.army.mil/majorsys/jltv_emd/jltv_EMDsubK/Interested%20Subcontractors_09NOV2011.pdf
- Instructions and Requirements for Accessing the CUI (FOUO/Export Controlled) documents has been updated.

02 November 2011

- Update the Senior Army and Marine Corp Leadership Industry Day language and include Industry Day Announcement Letter.

20 October 2011

- The following documents are released:
 - Mobility Dynamics Input Data
 - Attachment MM3-NRMM, Wheel Data Sheets
 - Vehicle Propulsion Data Sheets

19 October 2011

- The JLTV Industry Meeting – After Action Report is posted.

18 October 2011

- Update Attachment FF
- Update Senior Meeting Request Language and request form.

06 October 2011

- The following CUI documents are released to coincide with the Draft RFP release:
 - Attachment FP1
 - Attachment FP2
 - Attachment FP3
 - DRAFT Annex G
 - DRAFT Annex Q
- Instructions and requirements for accessing the CUI (FOUO/Export Controlled) documents listed above has been updated
- Remove the Industry Day/One-on-One Meeting language from the JLTV Website.
- Post the Senior Army and Marine Corp Leadership Industry Day language along with the Registration Form to the JLTV Website.

05 October 2011

- The following documents are released to coincide with the Draft RFP release:

Attachment FF – Compliance Matrix
Attachment GG – Data Sheet

04 October 2011

- The following documents are released to coincide with the Draft RFP release:

Attachment BB - Spec Sheet
Attachment CC – Proposed Spec Sheet
Attachment DD – Maturity Levels
Attachment EE – Data Matrix
Attachment JJ – CAD Models
Attachment PP – Past Performance Questionnaire
Attachment SB – Small Business Participation Plan

- JTLV EMD CDRLS is replaced with a revised version which includes CDRL A001 – Conference Agenda.

03 October 2011

- Draft RFP is released. The following documents are released for Industry review:

Section A – Executive Summary
Section B – CLINs
Section C – Statement of Work
Section E- Inspection and Acceptance
Section F – Deliveries or Performance
Sections L & M
CDRLS
Attachment 2
Attachment 5
Attachment 36
Attachment 37

- Previous version of Section C and E are removed and replaced with current Draft version as described above.

- Industry Day/One-on-One Meeting section is added.

29 September 2011

- JLTV PD Family of Vehicle (Draft Version 2.9) has been removed from the website and replaced with JLTV PD Family of Vehicle (Draft Version 2.9A). The only change to Draft Version 2.9A are the amendments to PDFOV-8722, 8723 and 8724 which reduce the Curb Weight to 14,000lbs.

28 September 2011

- 28 September 2011 DRAFT Purchase Description Web Release: The following Draft Purchase Description documents are released and open for questions, Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/pd.htm

UNCLASSIFIED

- JLTV PD Family of Vehicle (Draft Version 2.9)
- Annex J - Engineering Drawings (Draft Version 2.6)
- Annex K - Item Quantities (Draft Version 2.2)
- Annex L - Right Hand Operation (Draft Version 1.3)
- Annex M - Basic Issue Items List (Draft Version 1.2)
- Annex N - 2015 Boundary Manikin Set Body Dimension (Draft Version 1.1)
- Annex P - Moving Fuel Efficient Test (Draft Version 1.0)
- Annex R – Flat Tow Kit Components (Draft Version 1.0)

CLASSIFIED

- Annex E - Force Protection (Draft Version 2.9)
- Annex F – Signature Management (Draft Version 2.9)

FOUO/EXPORT CONTROLLED

- Annex G - Export Controlled Annex (Draft Version 2.9)
- Annex Q - Crew Injury Assessment Methodology (Draft Version 1.0)

- Industry is reminded to follow the format and submission instructions on the website for questions on any of the UNCLASSIFIED, FOUO, and CLASSIFIED portions of draft Purchase Description. Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/pdquestions.htm

- DRAFT Purchase Description Family of Vehicle (Version 2.8), DRAFT Annex K (Version 2.1), Draft Annex L (Version 1.2), DRAFT Annex M (Version 1.1), and DRAFT Annex N (Version 1.0) have been moved to the PD Archive page, Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/pd_archive.htm
- A note reminding Industry that all Australian requirements are pre-decisional and information only has been added to the main page.
- “Requesting Classified and FOUO/Export Controlled Information” page has been reformatted. Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/annexefg.htm
- List of Interested Subcontractors has been updated and posted to the website. This list will be a living document, and will be updated as more submissions from interested parties are received. Please also refer to the TACOM Small Business Office for more opportunities to publicize or gather information regarding potential subcontractors. Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/jltv_EMDsubK/jltv_EMDsubK.htm

8 September 2011

- Excel file with DRAFT Purchase Description Family of Vehicle (Version 2.8), DRAFT Annex K (Version 2.1), Draft Annex L (Version 1.2), DRAFT Annex M (Version 1.1), and DRAFT Annex N (Version 1.0) is available upon request. DOORS is not available for these draft versions.
- List of Interested Subcontractors has been updated and posted to the website. This list will be a living document, and will be updated as more submissions from interested parties are received. Please also refer to the TACOM Small Business Office for more opportunities to publicize or gather information regarding potential subcontractors. Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/jltv_EMDsubK/jltv_EMDsubK.htm

11 August 2011

- 11 August 2011 DRAFT Purchase Description Web Release:
 - DRAFT Purchase Description Family of Vehicle (Version 2.8), DRAFT Annex K (Version 2.1), Draft Annex L (Version 1.2), DRAFT Annex M (Version 1.1), and DRAFT Annex N (Version 1.0) have been posted to this website and are open for questions and comments.
Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/pd.htm
 - No updates to any of the annexes are available at this time. Links to the most current draft Annexes will remain on this Purchase Description page for ease of reference. Continue to monitor the website for updates to the draft Purchase Description as it becomes available.
 - Industry is reminded to follow the format and submission instructions on the website for questions on any of the UNCLASSIFIED, FOUO, and CLASSIFIED portions of draft Purchase Description.
Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/pdquestions.htm
- DRAFT Purchase Description Family of Vehicle (Version 2.7), DRAFT Annex H (Version 2.7), Draft Annex L (Version 1.1), and DRAFT Annex M (Version 1.0) have been moved to the PD Archive page.
Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/pd_archive.htm
- List of Interested Subcontractors has been updated and posted to the website. This list will be a living document, and will be updated as more submissions from interested parties are received. Please also refer to the TACOM Small Business Office for more opportunities to publicize or gather information regarding potential subcontractors.
Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/jltv_EMDSUBK/jltv_EMDSUBK.htm

26 July 2011

- Removed the Draft CSDR/EVMS Information and Assumptions, Draft CSDR, and Draft EVMS from the website.
- List of Interested Subcontractors has been updated and posted to the website. This list will be a living document, and will be updated as more submissions from interested parties are received. Please also refer to the TACOM Small Business Office for more opportunities to publicize or gather information regarding potential subcontractors.
Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/jltv_EMDSUBK/jltv_EMDSUBK.htm

08 July 2011

- Removed the Request for Information (RFI) section on the JLTV Website.
- Added International Program update under the Scope of Work (SOW) header on the JLTV Website.

13 June 2011

- All ACC Warren PROCNET webpages have undergone a redesign to improve menubars and standardize page formatting. The JLTV EMD website has been updated to reflect this change. The JLTV EMD website continues to be located through the ACC Warren PROCNET page under Solicitations & Contract Awards, Major Systems, underneath Draft Solicitations.
- The Tactical Wheeled Vehicle Conference charts previously posted to the main page have been moved and consolidated with Industry Day charts. The information has been compiled onto a separate page, under the header JLTV Conference Information. The Industry Day link has been renamed is superseded to the new JLTV Conference Information link: http://contracting.tacom.army.mil/majorsys/jltv_emd/jltv_emdconference.htm

03 June 2011

- Test course conditions data is being made available to the public as information only, subject to the disclaimer outlined in the memorandum to accompany test course data. The disclaimer memorandum, along with instructions for requesting the test course data has been posted to the website. Click on the Purchase Description Page link, under Reference Documents.
Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/pd.htm

01 June 2011

- RFI Topics on Potential Draft RFP/Contract Requirements have been posted to the website. Suggested response time is 17 June 2011.
- Language clarifying any submitted questions and comments has been posted to the website.

- A notice has been put on the Purchase Description page regarding potential change in curb weight which is intended to be released in the next draft PD release. Please visit the PD page to read this notice.
Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/pd.htm
- List of Interested Subcontractors has been updated and posted to the website. This list will be a living document, and will be updated as more submissions from interested parties are received. Please also refer to the TACOM Small Business Office for more opportunities to publicize or gather information regarding potential subcontractors.
Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/jltv_EMDsubK/jltv_EMDsubK.htm

26 May 2011

- Draft statement of work Section C, version 1.2 has been posted to the website for review and comment. Previous version 1.1 has been removed from the website.
- Notice about Federal Business Opportunities sources sought notice; reference 'RFI-JLTV-0001', has been removed from the website because the sources sought request has closed.

16 May 2011

- Draft statement of work information regarding CSDR and EVMS structures and assumptions has been posted to the website for review and comment.

04 May 2011

- A notice about a market survey regarding similar Joint Light Tactical Vehicle capabilities was posted to the Federal Business Opportunities website (<https://www.fbo.gov/>) under a sources sought notice, reference 'RFI-JLTV-0001'
- 04 May 2011 DRAFT Purchase Description Web Release:
 - DRAFT Purchase Description Family of Vehicle (Version 2.7), DRAFT Annex H (Version 2.7), Draft Annex L (Version 1.1), and DRAFT Annex M (Version 1.0) have been posted to this website and are open for questions. Telelogic DOORS database files are available upon request.
Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/pd.htm
 - DRAFT Annex E (Version 2.7) (CLASSIFIED) and DRAFT Annex G (Version 2.7) (FOUO-Export Control) are now available upon request. Instructions for requesting access have been updated to include Annex version number in request. Please follow the instructions for requesting access to these Annexes.
Link: http://contracting.tacom.army.mil/majorsys/jltv_emd/annexefg.htm
