About AMC

The U.S. Army Materiel Command is the Army's Premier Provider of Army and Joint Readiness — technology, acquisition support, materiel development, logistics power projection, and sustainment — to the total force, across the spectrum of military operations. AMC is headquartered at Redstone Arsenal, AL, and has a presence or impact in all 50 states and 145 countries. Manning these organizations is a workforce of more than 65,000 dedicated military and civilian employees, many with highly developed specialties in weapons development, manufacturing and logistics.

AMC Mission

AMC Develops and Delivers Global Readiness Solutions to Sustain Unified Land Operations - Anytime, Anywhere.

Office of Small Business Programs Mission

Ensure that a fair portion of contract awards is placed with small business enterprises. The office also serves as an advocate for other socioeconomic programs cited in the Federal Acquisition Regulation.
