

TACOM Strategic Service Solutions (TS3) Family of Contracts (FoC) Overview - June 11, 2014

What is the TS3 FoC?

The TS3 FoC, estimated at \$3.2 Billion, will result in three multiple-award indefinite-delivery, indefinite-quantity (MA IDIQ) contracts. Each contract will cover services primarily from one portfolio group of services: Knowledge Based Services (KBS); Equipment Related Services (ERS); and Research and Development (R&D).

Who are the TS3 customers?

The TS3 FoC will primarily support service requirements for the following customers: Program Executive Office (PEO) Combat Support & Combat Service Support (CS & CSS); PEO Ground Combat Systems (PEO GCS); System of Systems Engineering & Integration (SoSE&I); Tank Automotive Research, Development and Engineering Center (TARDEC); and the enterprise agencies of TACOM Life Cycle Management Command (LCMC).

Where is information on TS3 FoC located?

The official TS3 FoC website can be found on the Army Contracting Command - Warren (ACC-WRN) Procurement Network (PROCNET) at: <https://contracting.tacom.army.mil/services/S3/S3.htm>

This site is the source of information regarding the TS3 FoC and includes updates, milestone schedules, links to the draft RFPs, and Questions & Answers.
